### Information Release

I authorize my high school to release a copy of my transcripts to the Admissions Office at Pine Technical College and for them to provide my high school with a copy of my course schedule and grades.

Signature of Student:

### Parental Support

I understand and support my son's/daughter's participation in the Post-Secondary Enrollment Options Act Program. As parents, we assume responsibility for transportation and liability to and from Pine Technical College. We have been informed there may be additional fees and costs (laptop fee, specimens, etc.) that are not paid by the high school. We are also aware that there are social and academic differences in college from the high school setting.
