Pine Technical College to host Open House event

PINE CITY, Minn. – Pine Technical College will host “*Set Your Career in Motion: Third Annual Open House*,” Wed. Oct. 28, 5 to 8 p.m. at the College.

The event is open to current and prospective students and their families, business and industry partners, PTC Foundation donors and the public. In its third year, the event is predicted to draw about 100 attendees.

“This is anyone and everyone’s chance to tour the College, meet instructors, talk to advisors and College administrators, and get valuable program and career counseling on the spot,” said Nancy Mach, Dean of Student Affairs. “It’s not to be missed!” Mach added.

Set Your Career in Motion: Third Annual Open House will be held at Pine Technical College, 900 Fourth St. SE, Pine City. Refreshments will be served, and valuable door prizes will be awarded.

“We host the event to showcase how important and attainable higher education is,” said Dani Chandonnet, Director of Admissions. “On top of that, this is the College’s chance to tour its equipped labs and classrooms, and to introduce our knowledgeable and helpful faculty and staff members to students, new students and their families and friends,” Chandonnet added.
